ABOUT US

We are a leading manufacturer of **rigid sheets and rigid plastic packaging solutions**, specializing in **thermoformed packaging** for the dairy, food, beverage, ice cream, and QSR industries. With **10+ years of experience**, we have developed strong expertise in delivering high-quality, reliable, and customized packaging solutions. Our comprehensive product portfolio includes **Curd, Yogurt & Ice Cream Containers; Food Packaging Solutions such as Trays, Tubs & Cups, Lassi, Buttermilk & Beverage Cups and Lids; and QSR Packaging**.

Our state-of-the-art manufacturing facility at Masat, Silvassa, approximately 160 km from Mumbai, is equipped with modern technology and advanced manufacturing capabilities. We process PS, PP, and PET materials with stringent quality controls. Our facility is certified with **ISO 9001:2015 and ISO 22000:2018**, reflecting our commitment to quality, food safety, hygiene, and consistent manufacturing.

Extrusion Capabilities

- ▶ **Multi-Polymer Processing:** Capability to extrude a wide range of polymers, including PP, PET (rPET, GPET & APET), HIPS, GPPS, and other suitable materials.
- ▶ **Versatile Applications:** Our extruded sheets are suitable for FFS (Form-Fill-Seal), Thermoforming, Vacuum Forming, and Blister Forming applications.
- ▶ **Customized Solutions:** We can develop sheet specifications according to customer requirements, including material, thickness, size, and application.

PRECISION

Thermoforming

- ▶ **Material & Technology:** Process PP, PET, PS, Barrier PP/PS, PLA, and other polymers with advanced thermoforming technology.
- ▶ **Tooling & Customization:** Wide range of tools and moulds across product categories, enabling customized sizes, shapes, and designs.
- ▶ **Product & Printing:** Thermoform pre-printed barrier and non-barrier rigid sheets into cups, trays, lids, containers, and other packaging solutions.
